2. Services at Boatyards and Marinas will usually require payment. They may be discounted or free for residents and some may only be available to residents. Contact them for details.
3. The number of hours cruising time cannot be precise and should only be used for an indication of journey time. No allowance is made for queuing for locks, which may happen, especially in the summer. No allowance is made for stops for water, shopping, meals, etc. Travelling upstream on a river or the Llangollen Canal will be slower, while travelling downstream may be a little quicker.
